

AMP super

A super plan to support you today, and in retirement

We've partnered with your employer to bring you a complete wealth solution that can support your wellbeing now, and into retirement. Plus, no matter where you're working, you can take the benefits of AMP super with you.

Why join AMP super?

Access to real support

Your financial wellness is at the heart of our service; supported by our national research initiative which shows that nearly 2.5 million Aussies feel moderately to severely financially stressed¹. So, we've developed tools to help:

Super health checks

Face-to-face or over the phone check-ins with a super coach.

Tools for your goals

Digital resources designed to help you achieve your financial goals.

Financial advice

Different options available for different budgets, on request.

Insights to your inbox

Regular newsletters empowering you with financial insights.

Financial seminars

Covering a range of topics like budgeting, debt and retirement.

Online learning

Go at your own pace - with a range of financial education topics.

Competitive fees

Access to competitive fees, plus no hidden costs when making changes to your account. For fees relevant to your plan, call us on 1300 653 456

An investment approach for everyone

Take the hard work out of investing, with our MySuper lifecycle option. Your super will be invested in this option unless you choose another approach. It aims to protect and grow your money depending on your age, to deliver strong long-term performance.

A wide range of investment choices. You can also choose to set your preferred level of risk or select investments from our broad range of options.

Access to insurance

Most employer-sponsored super comes with specially negotiated insurance. If you're within the eligibility criteria, you may receive insurance through your super plan when you join. If not, you can sign up anytime. Learn more at amp.com.au/whyinsurance.

A secure place for your super to grow

Have confidence knowing your super is in experienced hands. The combination of our investment knowledge, size and experience is aimed at helping you live well in retirement.

An intuitive way to manage your money

Stay on top of your super, money and goals all in My AMP. Your super details will be secure, and you'll be able to access other easy to use online tools too.
